They are in:

G:\Baker\Water and Watersheds\Watershed Unit\303d List Approvals & IR\OR\OR 2012\Comment period

There are then two folders, one for "comments received" and one for "docs for comment period".

You can also, perhaps more easily, find the docs we put out for public comment at:

<https://www.epa.gov/tmdl/partial-approval-and-partial-disapproval-oregon-2012-303d-list>

I'll get a slightly revised version to you very shortly. Thx.

Thanks, Jill. Would you remind me of where (share drive) I can find our public notice on the OA issue and copies of the comments we received? Thanks.

Hi all,

Here is the revised OA briefing paper. I have 2 more additions, but wanted to get this to you asap so you can take a look at it. The content is much the same as the last one, with some new citations added.
